PA Ballot Questions Explanations

#1 The Pennsylvania Legislative Resolution to Extend or Terminate Emergency Declaration Amendment

Voting YES supports this constitutional amendment to allow the Pennsylvania General Assembly to pass a resolution, which the governor cannot veto, by a simple majority to extend or terminate a governor's emergency declaration.

#2 The Pennsylvania Emergency Declaration Amendment

Voting YES supports this constitutional amendment to limit the governor's emergency declaration to 21 days unless the legislature votes on a concurrent resolution to extend the order and provide that the state legislature shall pass laws related to how disaster emergencies must be managed.

#3 Prohibition Against Denial or Abridgement of Equality of Rights Because of Race or Ethnicity

Voting NO Recognizes that discrimination based on race is ALREADY unlawful. Adding the word "ethnicity" without defining it invites extreme abuse of the law.

#4: Statewide Referendum- Act 2020-91 Making Municipal Fire and Emergency Medical Services Companies Eligible for Loans

Voting NO Recognizes that Volunteer fire departments are ALREADY eligible for these loans. Extending the program to paid departments will allow major cities like Philadelphia to borrow more with no one watching where the money is going, while they put PA deeper in debt.
