

February 21, 2023 meeting notes

Lancaster County Southern End Chapter

Friends & Follow Patriots,

Thank you all for joining us for the FreePA Southern End Chapter meeting in February.

Ray D'Agostino, Lancaster County Commissioner, shared with us the difference classifications of county and local government. Most states work just by county, but because Pennsylvania is a commonwealth, we have both county & local municipalities. Mr. D'Agostino explained the different classifications of municipalities and the different rules & regulations that they must follow. He also expounded on the county government elected offices and county services.
