

July 19, 2022 meeting notes

Lancaster County Southern End Chapter

Friends & Follow Patriots,

Thank you all for joining us for the FreePA Southern End Chapter meeting in July.

John Schroeder, committeeman from Providence West (Solanco SD) shared info on how to become a committee person and what is required. If you are interested in more information, feel free to reach out and we'll put you in touch.

Dan Armstrong, husband, father, former cable guy, author of multiple books, & residence of Lancaster County told us of his youth: being born with cleft pallet, singing with his family and later being part of a Christian rock band before coming a cable guy for 35 years.

Dan recalled instances that showed how his parents lived out Matthew 25:40 *"The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me'"*. And how those times have affected his adulthood and his interactions with others. Dan encouraged us to "be aware of your presence in the lives of other people" and how we all have a role to play.
