

November 15, 2022 meeting notes

Lancaster County Southern End Chapter

Friends & Follow Patriots,

Thank you all for joining us for the FreePA Southern End Chapter meeting in November.

Tabitha Valleau shared with us how the PA Patriot Coalition is trying to implement change, focusing on the local level. A couple actions to take are to build relationships with senators and paying attention to school board elections, also other county elections: county commissioners and county sheriff.

Dave Zimmerman- 99th District Representative for PA, joined us as well. He talked of the recent redistricting and election. He discussed Act 77 and how it has affected PA, that the state committee did not endorse governor nominee, and how other prominent republicans came out in favor of democrat nominee. There was conversation in regard to republican does not mean conservative, republican leadership is removing republicans from committees as he fielded questions from those in attendance.

NO DECEMBER MEETING Merry Christmas

NEXT MEETING

January 17, 2023 FreePA Southern End Chapter doors open 6:30, meeting 7:00

Dave Giordano Field Coordinator for the John Birch Society PA, South Jersey, and DE

Mr. Giordano will pull back the curtain on the Convention of States Project to propose amendments to the Constitution to “reign in the Federal Government” and give the proper solution to our “out of control” Federal government. As much as it is misinterpreted, as much as it is attacked, as much as it is ignored, the US Constitution is standing in the way of the Globalist Plan for a New World Order. They must replace the US Constitution with a new one in order to complete their New World Order, renamed “the Great Reset”. There is only one way to get ride of this obstacle (our current Constitution), that is an Article V Convention. And this time they will trick the “conservatives (republicans) to put the final “bullet in the head” of our Constitution (unless we act now). www.JBS.org

Born in PA, raised in New Jersey, Mr. Giordano graduated from Temple University and has been a member of the John Birch Society for 28 years as a volunteer chapter leader, then section leader. Beginning 2022, Dave officially the left advertising industry and is on the staff as a full time Field Coordinator for the John Birch Society.

Donations received go toward the attorney retainer, support of those in community who may have lost their jobs, education, speakers, training, building/ printing fees.
